Test player update

We have made some design and functionality improvements to the course test experience on Cambridge One. From the 28 February 2024, course tests in the following products will be powered by a brand-new test player.

- Evolve Digital

- SMART Test Pack

The benefits

We believe that the new test player, with its improvements to design, digital accessibility, and usability, will help you enjoy your experience with Cambridge even more.

The screenshot shows the Cambridge One test player interface. At the top, there is a purple header bar with the Cambridge logo on the left, a clock icon and 'Time left: 25 minutes' in the center, and a 'Menu' icon on the right. Below the header, the instruction reads: 'Read the sentences about a student called Albert, and choose the correct answer for each space.' To the right of this instruction is a 'Show instructions' link. The main content area contains five sentences, each with a dropdown menu for an answer:

- Albert comes from Germany but he at college in Boston.
- Albert loves photos when he's not studying.
- Albert was happy because he got a good on his exam.
- Albert is going to go on vacation with his brother.
- Albert has a lot of interesting places in Boston.

At the bottom of the interface, there is a footer bar with 'Part 2 Question 6 of 25' and a 'Show all questions' link on the left, and 'Previous question' and 'Next question' buttons on the right.
