You have to open the

11

Gary wants you to find a woman called

7

Cora has a better

56

for you.

There is a cave. The cave is

30

87

After the cave, there is a

93

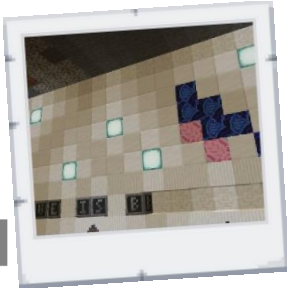

. It is dirty, cold and ugly.

You have to make the room nicer. Tick the things when you do them.

You have to make the room warmer.

You have to make the walls cleaner.

You have to make the floor brighter.

What else can you do to make the room nicer? Write in the box below:

I can turn on the L _____.

I can move the picture and find some F _____.

I can put the C _____ on the table.

The next cave is

13

72

After the cave, you

12

in a mine cart to the windmill.

Put the numbered letters in the right order to get the password:
